Fall Into Safer Streets

Learn How

As fall events draw large crowds, the need for reliable security grows. School games, harvest festivals, and community gatherings create cherished traditions but also increase the potential for unpredictability. Ensuring the safety of every attendee means closing the gaps where infrastructure falls short.

Mobile security trailers give you portable, powerful 24/7 coverage with:

- 2 PTZ video cameras
- 1 panoramic video camera
- AI-powered alerts
- Flashing blue lights
- Talk-down speaker
- Mobile app access
- Solar power and no hardwiring

Deploy it where you need it, when you need it.
